

Milton Keynes MSOAs (Middle Layer Super Output Areas)

Used to compare categories of population data. There are 7201 in England and Wales, 32 in Milton Keynes.

MSOA areas and names rarely align with Ward areas and names. They may be combinations of Wards and post codes and have parts taken from those adjoining.

Boundaries on this map should not to be used in any official capacity.
They are drawn to simply show major differences between MSOAs and Wards.
